• WELCOME TO
ErinoakKids! •

Check in at reception, where you will meet our staff and volunteers

**This is where we will play
games and do crafts**

When we need to relax, we will spend some time in the Snoezelen room

Let's hang out together in the Youth Zone for fun discussions and good times

If the weather is good,
we will spend some
time in the Courtyard
and the Therapeutic
Playground

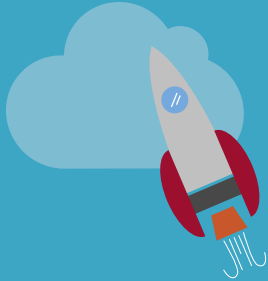

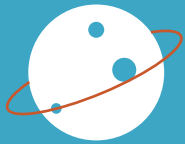

We will have fun
learning to cook and
bake in the kitchen.

Our Gymnasium is a great place to be active
