

Activity 2: Label Body Parts (Girl)

Directions to make the activity:

Laminate and cut out each body part label. Attach Soft Velcro to the back of each label. Attach Hard Velcro next to the labels on the worksheet.

How to use this activity:

The goal is to match the labels to the appropriate body part.

Adaptations

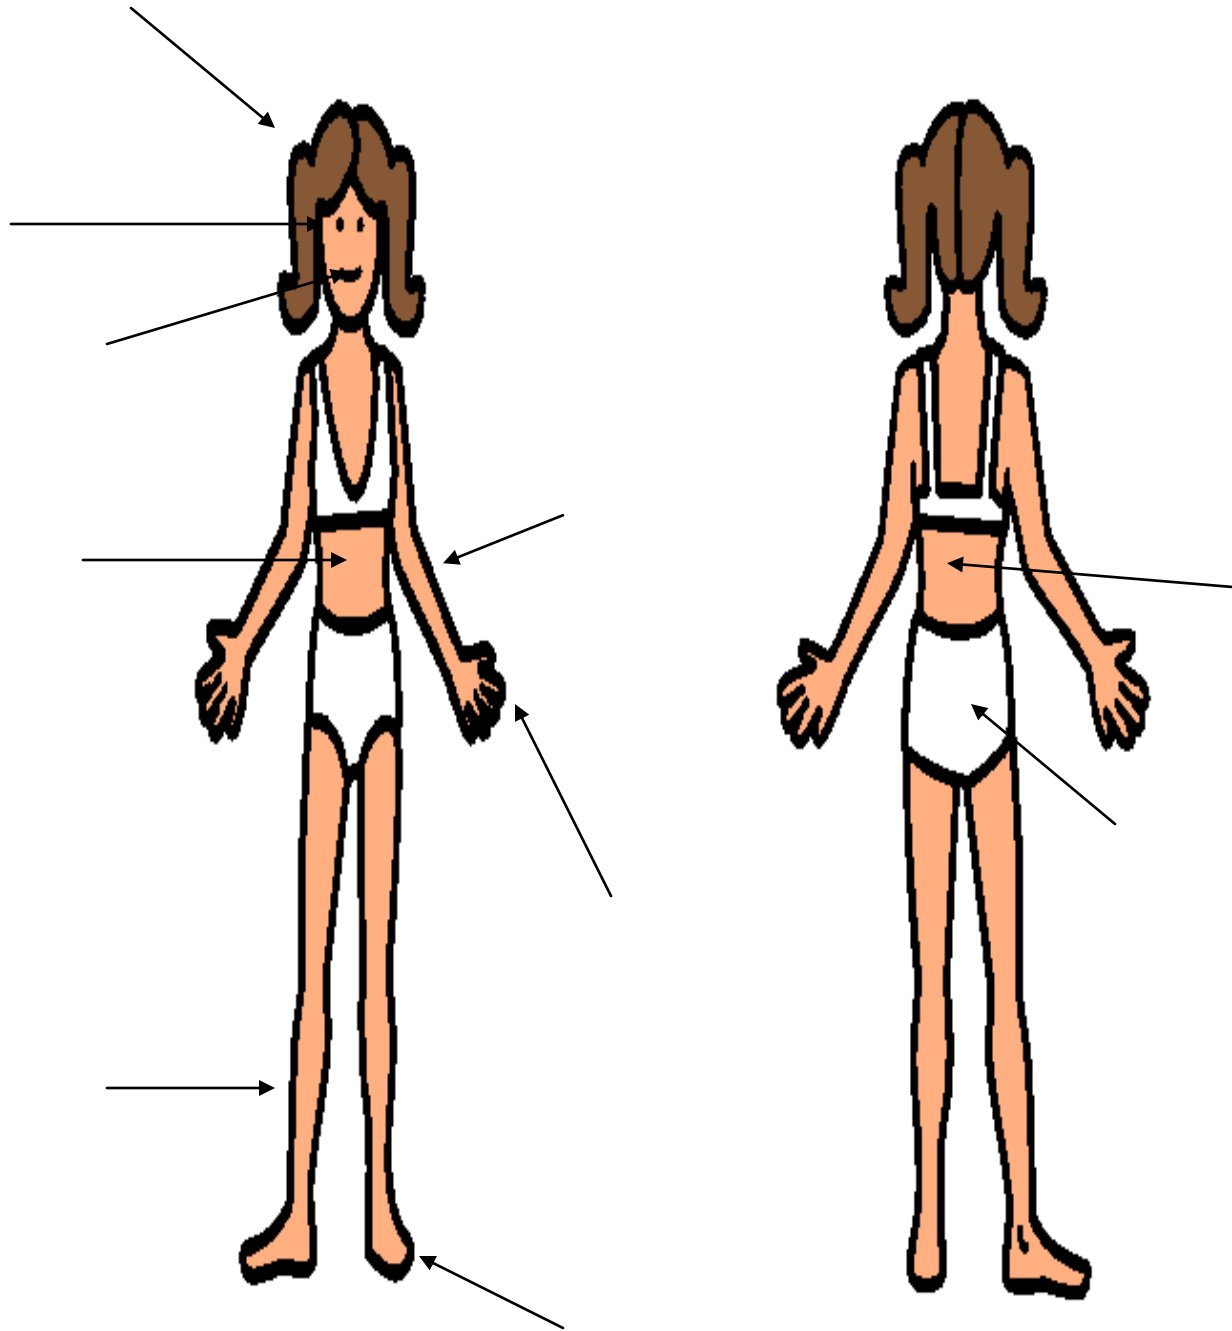

- Point to the body part and ask your child to verbally label the body part.
- Your child writes down the labels for each body part.
- Your child may match picture to picture.
