

## Activity 3: Label Body Parts (Man)

### Directions to make the activity:

Laminate and cut out each body part label. Attach Soft Velcro to the back of each label. Attach Hard Velcro next to the labels on the worksheet.

### How to use this activity:

The goal is to match the labels to the appropriate body part.

### Adaptations

- Point to the body part and ask your child to verbally label the body part.
- Your child writes down the labels for each body part.
- Your child may match picture to picture.
