

## Activity 5: Point to the Correct Body Parts

# Sometimes People Will Touch You

Adapted from: Wrobel, M. (2003), pg 191

## Activity 5: Point to the Correct Body Parts

**If people touch you on the arm, shoulder,  
Hand or back, it is usually okay.**

## Activity 5: Point to the Correct Body Parts

**It is not okay for people to touch  
your private areas.**

## Activity 5: Point to the Correct Body Parts

**Your private areas are the parts on your body that get covered up when you put on a swimsuit.**

## Activity 5: Point to the Correct Body Parts

**It is not okay for people to touch your private areas,  
even when you are wearing clothes**

## Activity 5: Point to the Correct Body Parts

**Sometimes a doctor, a nurse, or your mom  
may need to touch your private areas.  
That is usually okay.**

## Activity 5: Point to the Correct Body Parts

**You need to tell a teacher or your parents  
when someone else touches your private areas.**

## Activity 5: Point to the Correct Body Parts

**It is never okay for other people to touch your private areas.**

## Activity 5: Point to the Correct Body Parts

**If someone touches your private areas, you should say “No, don’t touch me”, and tell someone right away.**
