

TIME TO GO

SWIMMING

I like going swimming.

I walk into the the  
changeroom. Then  
I put my swimsuit on.

I put my clothes into  
the locker.

I must remember to  
walk when I am at the  
swimming pool.

I can have fun swimming  
when I am in the water.

Sometimes the lifeguard needs to talk to me. I need to listen to the lifeguard.

Yeah! I did a good job swimming.
