

I want to be a safe crosser. Safe crosser, safe crosser.
You can be a safe crosser. Here is what you do.

I'm going to stop at the driveway. The driveway, the driveway.
Then I'm going to cross the driveway very carefully.

'Cause cars pull into the driveway. The driveway, the driveway.
And cars pull out of the driveway, and they might not see me.

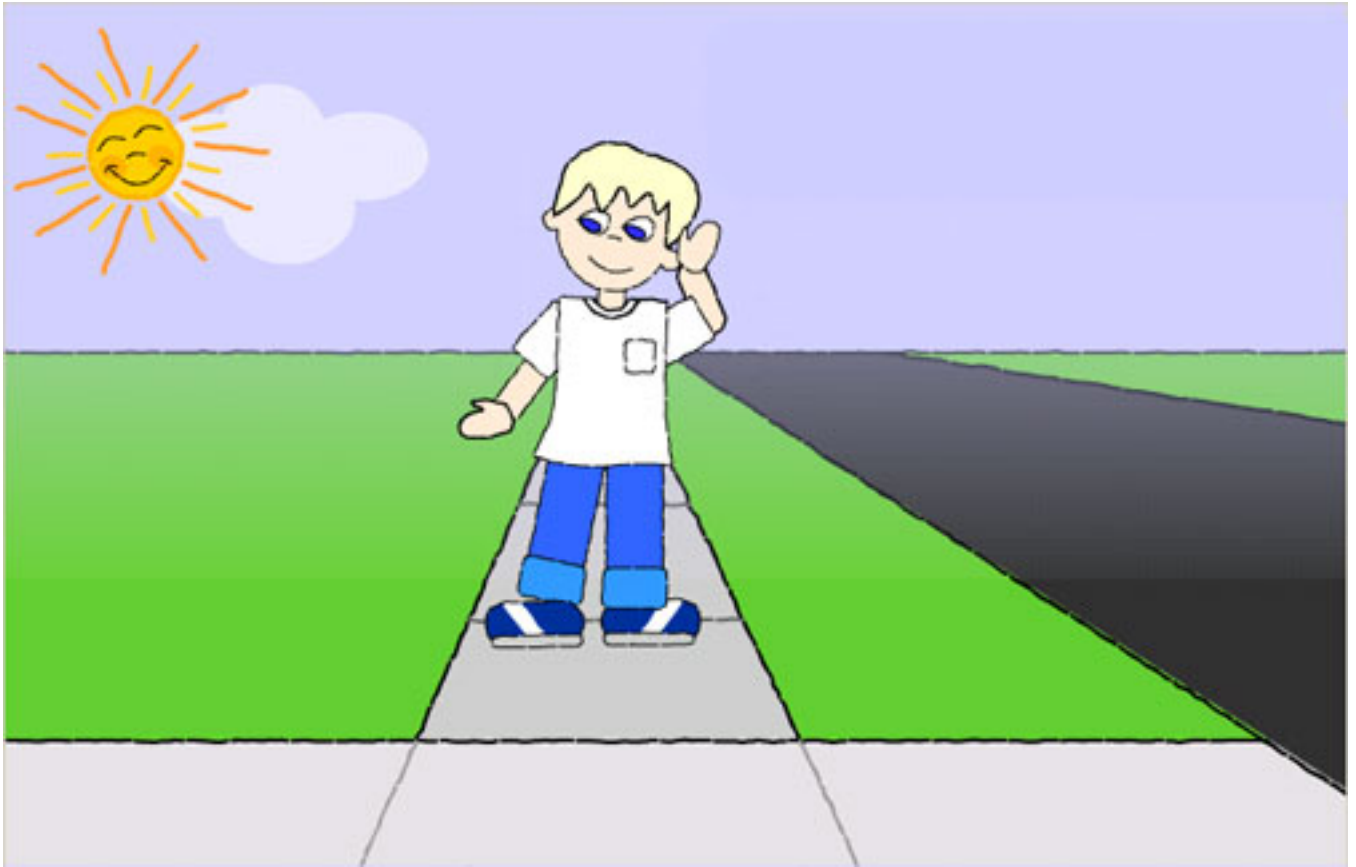

Before I take a step again, I will look for cars and then
When it's safe for me to go, I can cross, but first I know

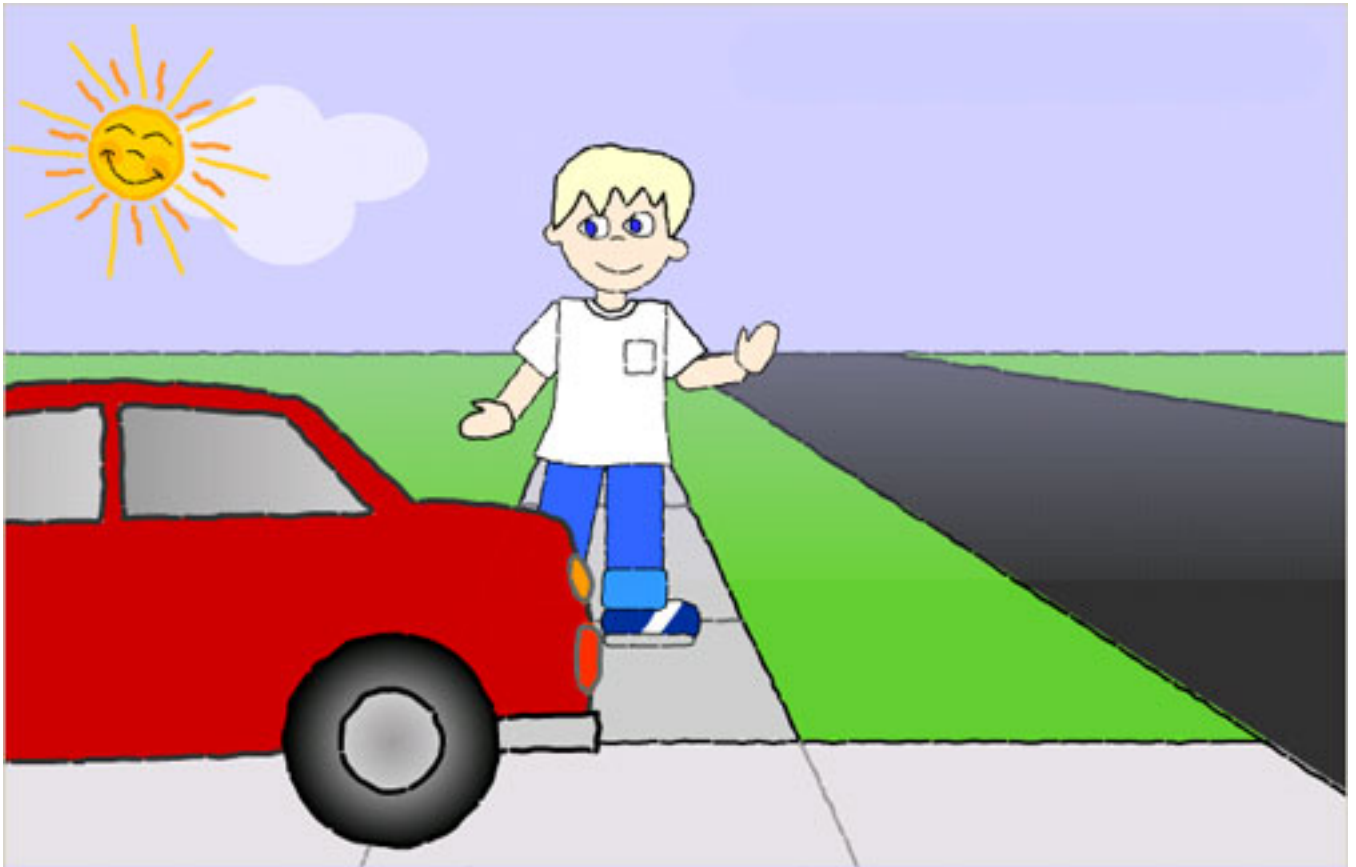

Look Left, right, left. Left, right, left.

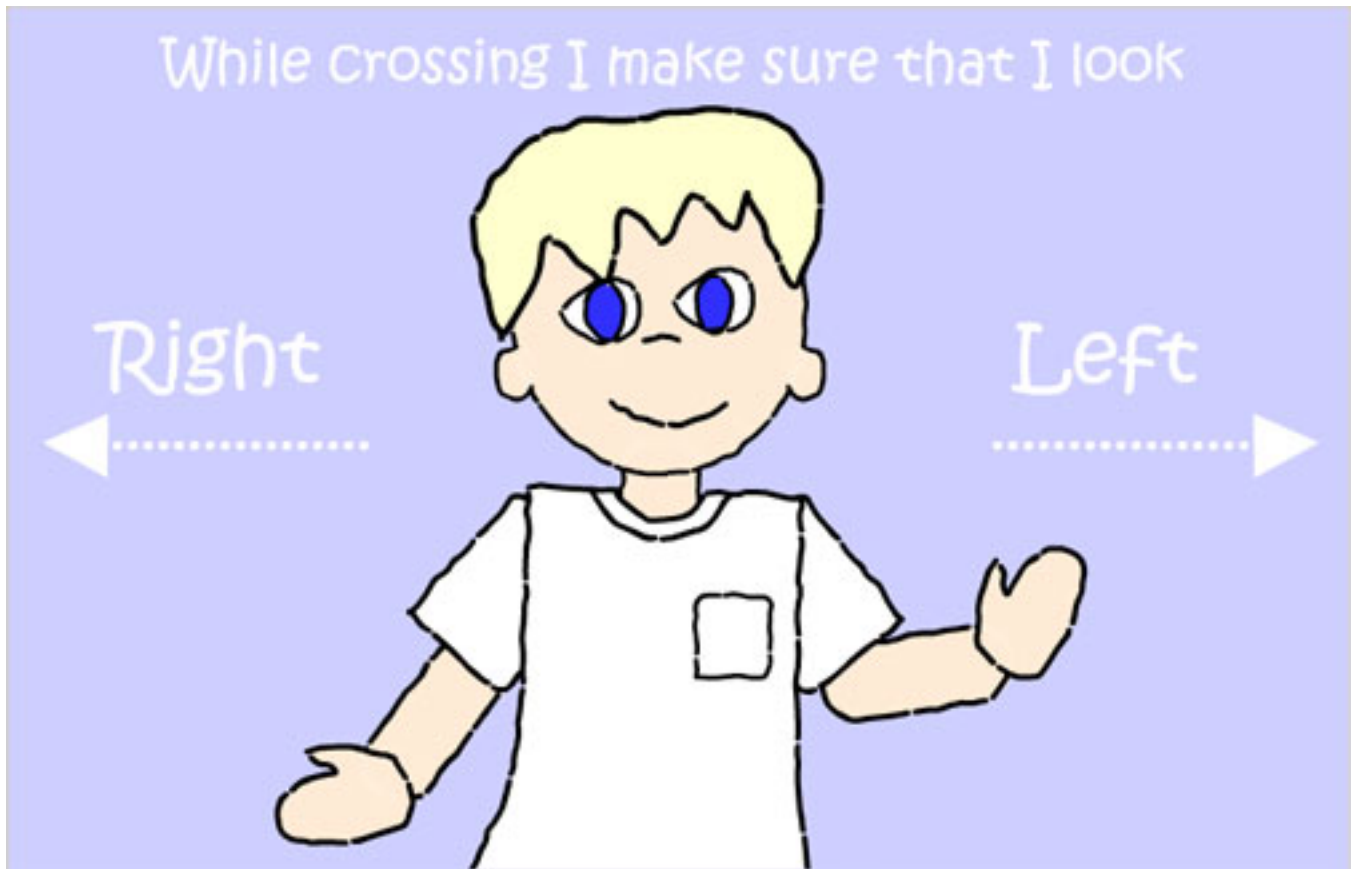

Before crossing I make sure that I look left, right, left.

I'm going to look for cars coming. Listen and look for cars coming.
I won't cross with cars coming, 'cause that's not safe for me.

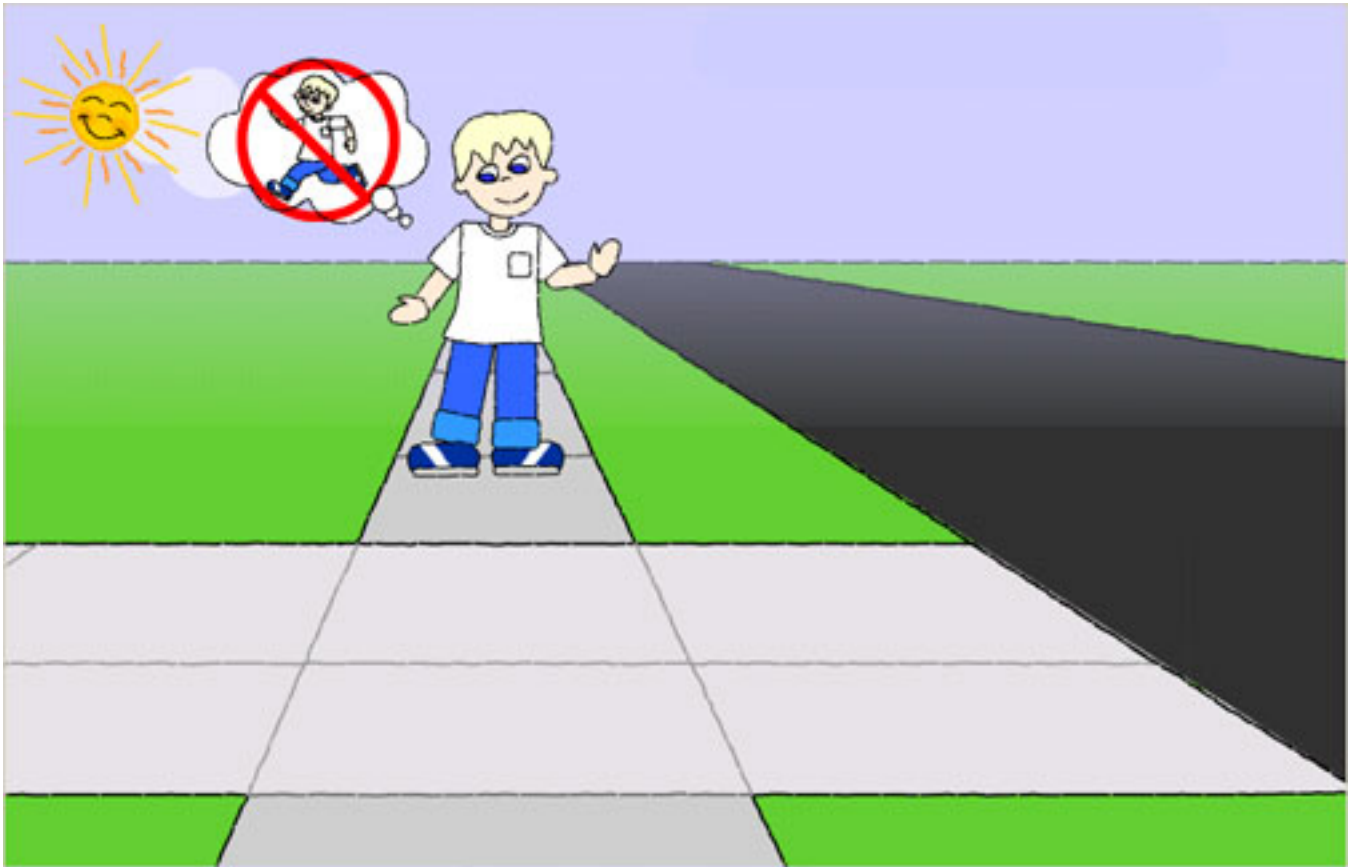

I won't step into the driveway 'til it's safe for me to go.
When there are no moving cars I will cross, but first I know

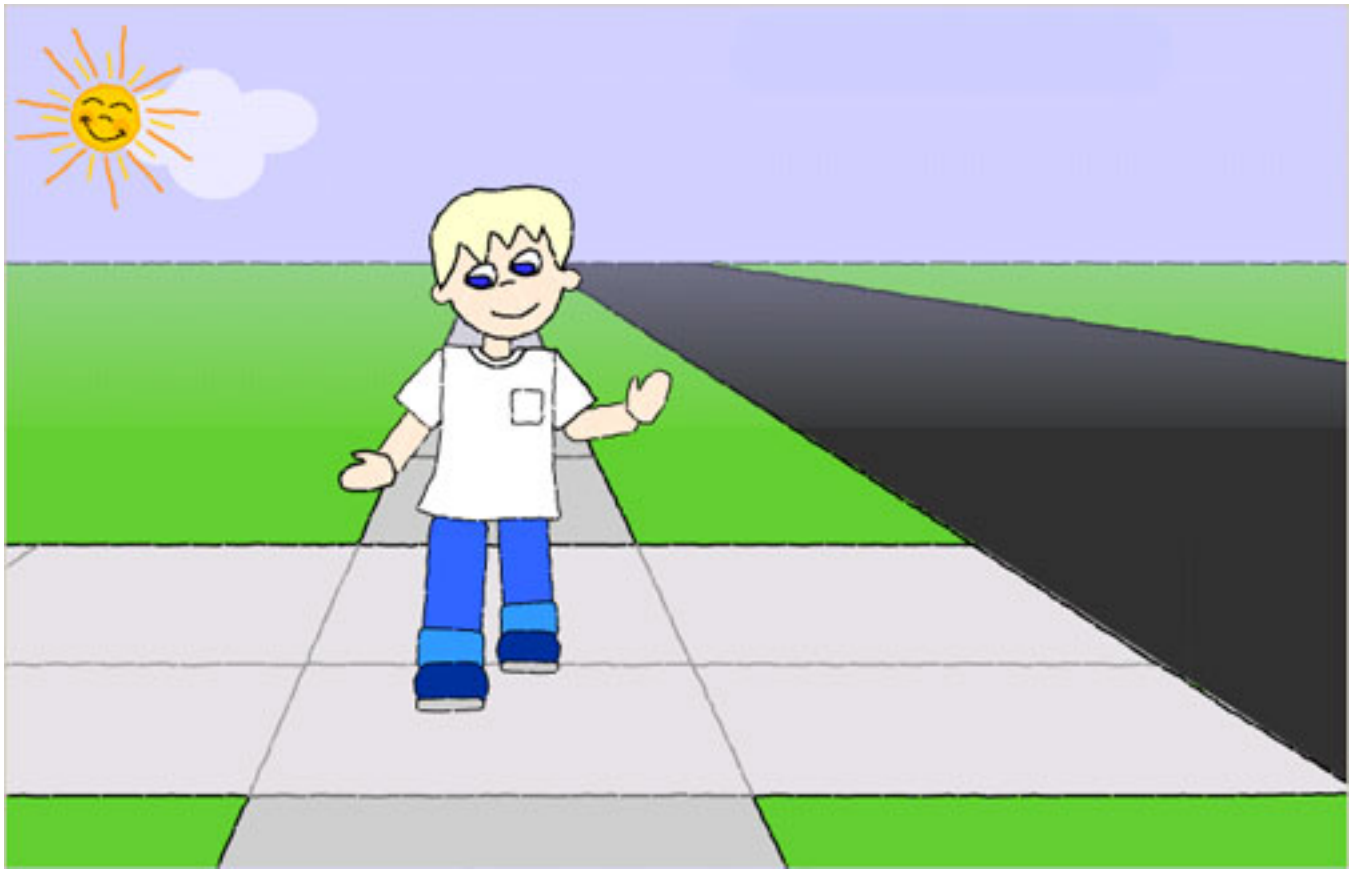

Look Left, right, left. Left, right, left.

Before crossing I make sure that I look left, right, left.

I will walk and never run. I'll listen and look for moving cars.
If you're there I'll hold your hand. I will be a safety star!

Safety star! Yes, you are!
Cross with me and you will be a safety star! Hooray!

Cross the Driveway
