

What a beautiful day. I'm going to go outside and play.
So many wonderful things to do! Would you like to come, too?
You would? Oh, good!

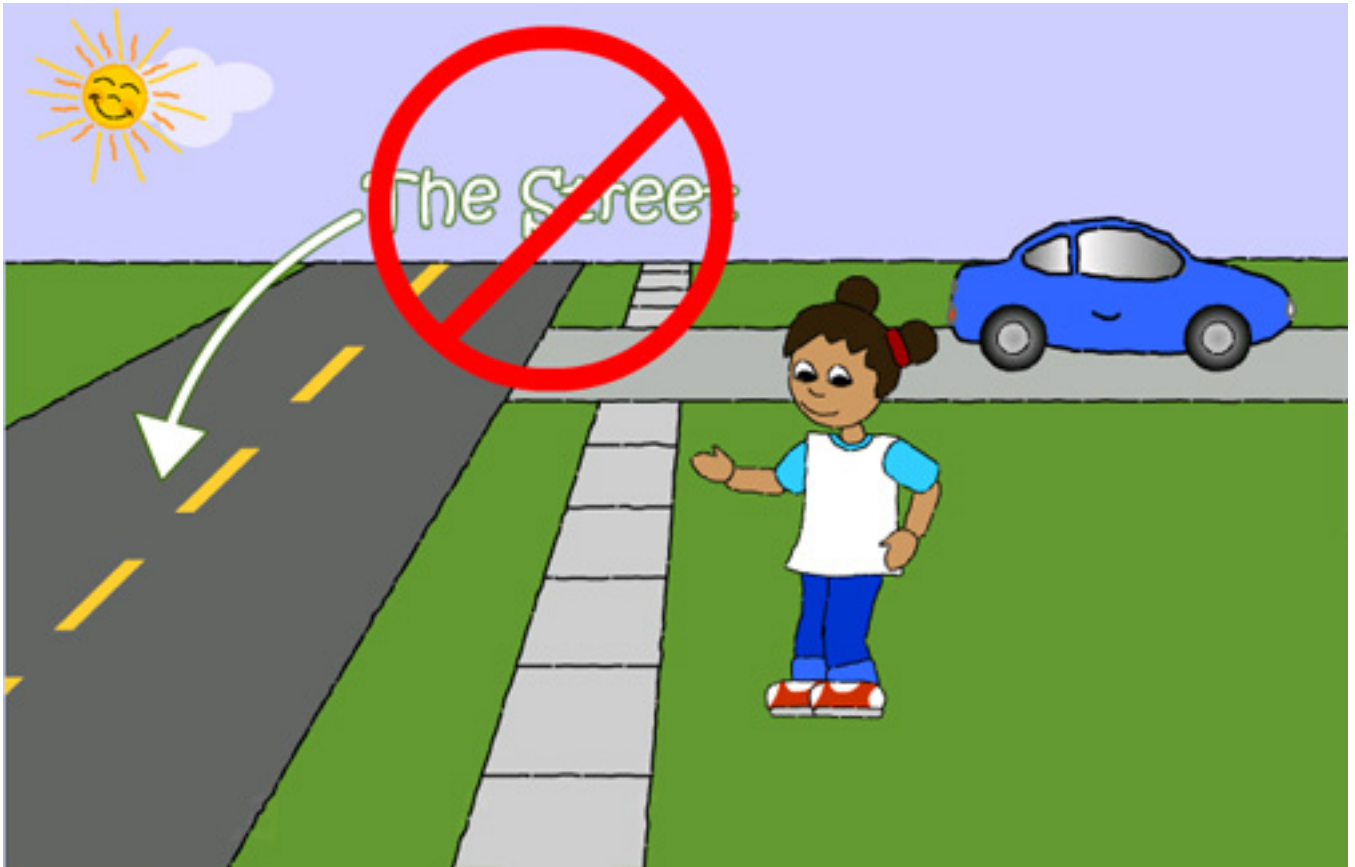

I want to be safe when I go out to play.
So I will go inside my yard, and that's where I will stay.

I'm going to play in my
I'm going to stay in my
I'm going to play in my yard.
I'm going to stay in my
Today I'll play in my
I'm going to stay in my yard.

What a beautiful sky. I want to watch the clouds roll by.
So many magical shapes they make! Do you like the view?
You do? Me too!

I want to be safe, so I'll play carefully.
I won't go into the street, 'cause that's not safe for me.

I'm going to play in my

I'm going to stay in my

I'm going to play in my yard.

I'm going to stay in my

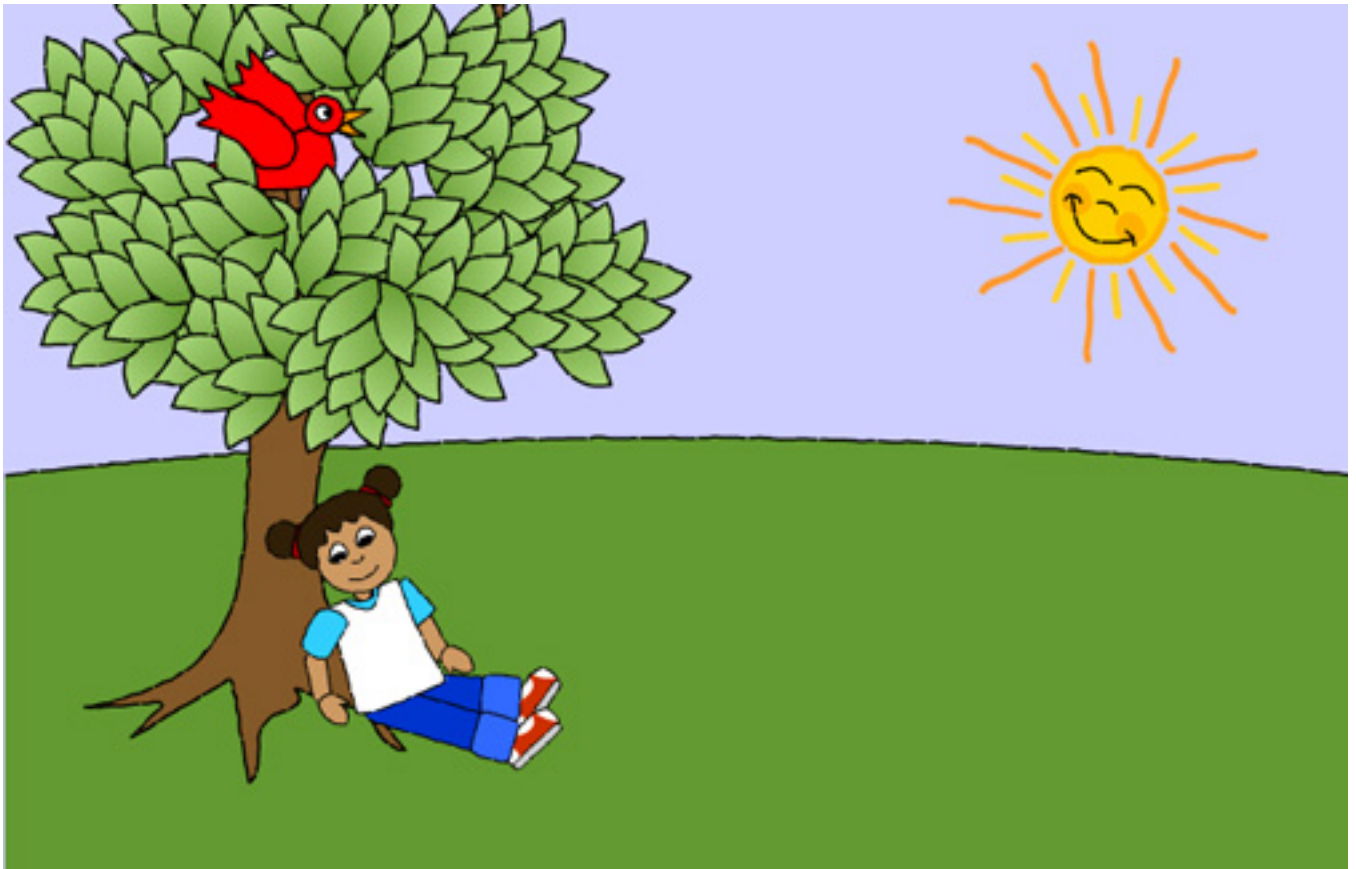

Today I'll play in my

I'm going to stay in my yard.

What a beautiful breeze. I'm going to sit beneath these trees.

And listen to the birdies sing. Do you hear their song?
You do? Me too!
What a wonderful song! Come sing along.
Tweet tweet! So sweet!

I want to be safe, so I'll play carefully.
I won't go into the street, 'cause that's not safe for me.
I will stay inside my yard, the safest place to be.

I'm going to play in my

I'm going to stay in my

I'm going to play in my yard.

I'm going to stay in my

Today I'll play in my

I'm going to stay in my yard.

Stay in the Yard

_____ is a Safety Star!
