

# Who We Are

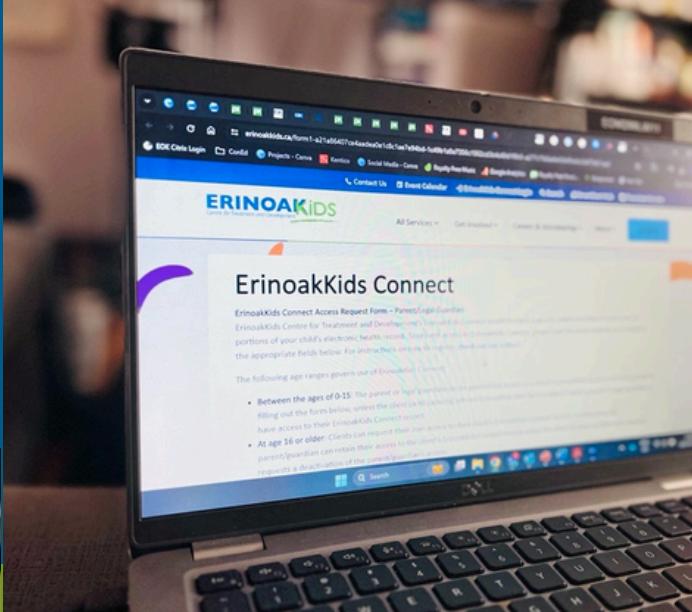

Ontario's largest children's treatment centre, serving children and youth with physical and/or developmental disabilities, autism, communication disorders and vision or hearing loss.

Our mission is to help each child discover and reach optimal levels of independence, learning, health and well-being.

We are thankful for our supporters, who help to fund many of our programs. To show your support, visit:

Centre for Treatment and Development

# ErinoakKids Centre for Treatment and Development

Therapy, medical and support services for children and youth in Halton, Peel, Dufferin County and Beyond

[erinoakkids.ca](http://erinoakkids.ca)

905-855-2690

## Autism Services

ErinoakKids is one of the diagnostic service hubs designated under the Ontario Autism Program (OAP).

If you have concerns regarding your child/youth's development and you live in Peel, Halton, or Dufferin regions, you can request that your primary care physician refer your child/youth to ErinoakKids for an Autism Spectrum Disorder (ASD) diagnostic assessment.

## Longo Family Resource Centre

Available at each of our three sites, visit to access resources and information, the toy lending library, activities, crafts and more!

## Our Sites

Enjoy our facilities! We offer accessible spaces in our purpose-built LEED buildings that meet the treatment and therapy needs of children and youth with physical, communication and developmental needs.

- Accessible playgrounds and outdoor area for therapy (seasonal)
- Snoezelen rooms (multi-sensory rooms to promote communication and social interaction)
- Fully accessible by public transportation
- 26-bed respite centre including the Brannon Family Aspen Lodge and the Birch Lodge at the Giampaolo Foundation Clinical site in Brampton
- Warm-water therapy pool at our Brampton site

All ErinoakKids sites are accessible by major highways, transit and paratransit. For detailed information on driving directions and bus routes, please visit: [erinoakkids.ca](http://erinoakkids.ca).
