

Program Information

Dear Parent:

I would like to welcome you to the Orientation Session for *More Than Words!*

For you and your child to get the greatest benefits from the program, your full participation is necessary. The following outlines the commitment we ask parents to make. We ask you to:

- Attend all group sessions (with the exception of illness and family emergencies). If you are unable to attend a session, please let me know even if it is on the day of the session.
- At least one parent must attend all sessions.
- Participate in a Pre-Program Consultation, during which you and your child will meet with me so that I can learn more about your child and his or her communication skills.
- Participate in all three Video Feedback Visits. During these visits, you and your child will interact together while you use the strategies you have learned during the group sessions. I will record a few minutes of these interactions and then we will view and discuss the clip immediately afterwards. The parent who attends all of the group sessions must participate in all of the Video Feedback Visits.

If you feel that you are unable to participate fully in the program at this time, please consider waiting and participating at a later date. If you have any questions or concerns, please contact me.

I hope that you enjoy the program and find the information and support you need to build your child's communication abilities.

Sincerely,

More Than Words Certified Speech-Language Pathologist/Therapist
