

## How to Help Your Child Learn to Imitate

### Step 1:

#### Imitate your child

- First... OWL
- Then... copy what you see and hear
- Comment on your child's actions, or what he or she said

### Step 2:

#### Help your child Imitate you

- If your child is interacting, add something new to the game.
- If your child is not yet interacting, stay at Step 1.
