

Goals in Routines

My child...

The goal might be...

Doesn't know the routine (brand new)

AND/OR

Is very upset during the routine

Get through the routine to the end — you do all the steps

Has done the routine many times

AND

Knows what's coming next in the routine

AND

Stays to the end of the routine, even if he or she doesn't like it

Do some of the steps of the routine

OR

Add a social communication goal to the routine

Is usually calm and pays attention during the routine

AND

Can do most of the routine on his or her own

Add a social communication goal to the routine
